We are accepted horses from USDA Confirmed VS Affected Counties and implement all biosecurity measures:

- Timed Official Certificate of Veterinary Inspection (Health Certificate) for horses from VS Affected Counties: Must be accompanied by an official Certificate of Veterinary Inspection (CVI) which includes a VS statement and issued within 14 days of entry to competition grounds by a licensed veterinarian who has examined the horse. Only state issued/ approved official CVI document shall be accepted.

NOTE CHANGE from within 5 Days to within 14 days of entry to the competition grounds.

VS statement: "I have examined the animal(s) represented on this certificate of veterinary inspection and have found no clinical signs of vesicular stomatitis and they have not originated from a premises under quarantine for vesicular stomatitis."

- Required Onsite Veterinary or designated individual examination of all horses from VS Affected Counties for vesicular lesions at time of entry to venue. No horse will be permitted entry to stabling, schooling, or competition area without veterinary examination. The horse with suspect lesions and the cohorts on the trailer will be rejected and prohibited entry.
- Recommend separate designated stabling area for horses from VS Affected Counties.
- Monitor horses from VS Affected Counties for the duration of the event. Stall temperature logs required to be completed with twice daily temperature recordings.
