The Program gives owners and breeders the opportunity to showcase the potential of their four- and five-year-old horses while encouraging the breeding and development of top-level event horses for the future. Classes focus on education and preparation of the event horse in a correct and progressive manner.

At Championships, youngsters are asked to complete three sections:

- 1) Dressage, worth 20% of the final total score
 - 2) Conformation/Type, worth 10% of the final total score
 - 3) Jumping Test/Gallop/General Impression, worth 70% of the final total score
-

DRESSAGE

The dressage phase, unlike a normal dressage test, marks overall collective impression (not by each individual movement). Three correct, elastic and regular gaits through a swinging back are the qualities that judges seek. Young horses should not be marked down for displaying a little exuberance. The judge will have to weigh the influence of the rider; a good rider may present a well-balanced, smooth test on, perhaps, a moderate unscopey horse, while a novice rider may hinder a good horse from showing its true worth. It is the horse's and not the rider's real potential we are looking for.

CONFORMATION

Each horse will be stripped of tack and shown in hand to the judge. Handlers are to stand their horse up in an open stance for inspection by the judge, who will assess conformation and type. The horse is judged on potential for soundness, speed, and stamina. Handlers will be asked to walk and trot the horse in a straight line for soundness and correctness. Color, size and gender should not be a factor in the horse's score.

JUMPING

The jumping section looks for a bold, athletic horse with good technique. A horse with these qualities should not necessarily be penalized for knocking down a fence providing he or she learns from the mistake. Four year-old horses will not be penalized for jumping out of the trot. An event horse must be able to jump a bank, ditch, water, or solid fence. Please note that schooling through the water obstacle prior to competition is encouraged.
